CHARLES McCLAIN

VICKY BRIDGES

ANNUAL KING AND QUEEN

Dedicated to you . . .

JOYCE COVINGTON

Mrs. Covington carries a full schedule each day. First in her life is the full-time role of wife and mother.

Her work ranges from typing in her office to tractor driving at home. She is also very active as 4-H sponsor and in community affairs.

We have dedicated this annual to Joyce because of the cooperation and work that she has given the teachers and the help she has given to the students as individuals.

ADMINISTRATION

MR. KERMIT WOMMACK
Superintendent

Change! As all of us know, change is occurring in every facet of our lives today. Some changes, we hope, are good - others, we fear, may not be so good. Be that as it may, I should like to offer one more - that of giving my message not in the usual form, but in a form of quotes:

"The greatest calamity is not to have failed, but to have failed to try."

"It takes the whole of life to learn how to live."

"Learn from the mistakes of others - you can't live long enough to make them all yourself."

"Be what you wish others to become."

"There is no right way to do the wrong thing."

My best wishes and high hopes for you are with you always.

Kermit Wommack
